

JUNE OFFICER OF THE MONTH

Ricky Weems

We want to give huge congratulations to our June officer of the month Chief Ricky Weems! We want to recognize him for the outstanding number of things he accomplishes for our station. Ricky takes it upon himself to staff any piece that goes out the door, he works extremely hard to keep everything running smoothly and spread joy around the station. So, help us congratulate Ricky on being our spectacular officer of the month!

Here are a couple things about Ricky and why he chose to be a member of St. Leonard!

We asked our members these following questions...

Why do you enjoy the department?

Ricky: "I really love being here because I never know what kind of call we're going to get. Just when I thought I saw it all, something new comes at us! I work well at facing challenges. Above all else, I truly enjoy helping people."

What do you enjoy most about volunteering?

Ricky: "Most of all, I enjoy working together to accomplish a task or goal. I enjoy the camaraderie, brotherhood, and family atmosphere that the firehouse gives."

Why did you decide to Volunteer?

Ricky: "I joined St Leonard because my parents were members. After hanging around my parents and other members of the firehouse, I realized that we all have similar interests. Initially, I only intended to complete the fire training. But the ambulance was going out much more than the engine, so I decided to take the training to get my EMT. As an EMT then and now, I really enjoy being able to help people. Without a doubt, the most satisfying experience in EMS is successfully resuscitating a patient, seeing them wake up and speak coherently!"
