

JULY ADMINISTRATIVE MEMBER OF THE MONTH

Becky (Rebecca) Weems

We want to give huge congratulations to our July administrative member of the month Becky Weems! We want to acknowledge the endless amount of work she puts into the department. Making sure to lend a helping hand anytime it is needed and spending many hours putting in work for the station. So, help us congratulate Becky on being our administrative member of the month!

Here are a couple things about Becky and why she chose to be a member of St. Leonard!

We asked our members these following questions...

Why do you enjoy the department?

Becky: "I like the camaraderie and working alongside family and friends. I like using my past work and volunteer experience to support our department."

What do you enjoy most about volunteering?

Becky: "I enjoy working at our fundraisers and meeting people who come to have fun while supporting their community. It's also great to be co-working with several of my family members."

Why did you decide to Volunteer?

Becky: "I began with Co. 7 in 1985. It was a newly formed department and did not even have a building yet. There was a serious need in the St. Leonard area for fire and EMS service that would be a closer response for emergencies. I wanted to be part of that response for my neighbors in the community. We worked extremely hard to make that dream come to fruition. I took a long break from being a member and decided to re-join. Although I don't ride the equipment anymore, I miss doing so. I try to provide help in other ways as an administrative member."
